## **Company Level Training Policy during Pandemic at SCESTC**

- **All Members will remain at home when feeling sick or ill, if a household member is feeling sick or ill, if a household member is quarantined, or if a household member tested positive for COVID-19.**
- **Currently the only areas permitted to be used are the Pump Pad, Training Tower and Burn Building. ALL OTHER AREA'S ARE NOT AVAILABLE FOR USE CURRENTLY.**
- **If a member does become sick or ill after participating in Company Level Training at Schuylkill County Emergency Services Training Center, the Fire Chief shall contact Fire School Staff immediately.**
- **All members are required to wear face covers that cover mouth and nose when not wearing respiratory protection and when not eating or drinking.**
- **The Company using the training grounds shall provide towels/wipes for their members and will properly dispose before leaving the training grounds.**
- **All members will practice current CDC social distancing recommendations. This includes issued equipment, PPE, personal belongings, seating space, and when eating or drinking.**
- **All members when possible will wear gloves when handling equipment or operating apparatus. If equipment or apparatus are handled without gloves, all touched areas will be wiped down with a sanitizing wipe or solution prior to the additional use of other members.**

**Note: This Policy is subject to change as regulations change due to the Covid – 19 Pandemic.**

**Thank you for keeping yourself and others SAFE during this Pandemic**

**SCESTC Officers**
